

MADAN GROUP

Think Globally, Act Locally.... With four decades of experience, we, at Madan Sales Corporation, primarily focus on globally recognized products for new and tomorrow's markets, having applications in each industry with main thrust in consistency of quality products and efficiency in services.

We are the stockiest of BONFIGLIOLI, manufacturers of Gear Reducers in AS – W – and VF series, TA Series shaft mounted gear box and 300 series Planetary Geared Motor / Gear Box. We maintain large stocks for off the shelf delivery.

We are also the stockiest of KTR leading manufacturer of Torsionally Flexible Jaw Couplings, a 100 % subsidiary of KTR Germany. These too are available ex-stock.

To add to above, we are also one of the largest stockiest for FENNER products- Industrial V belts-Fan belts-Dual Duty Taper Lock Pulleys- Tyres – Bush – HRC type couplings – Centrifugal and Friction Clutches – Stationary and Variable Speed Drives – Curved tooth Geared Couplings – Essex Cushion Couplings. We are the authorized stockiest of FENNER since 1974.

We are the authorized stockiest of HAVELLS-LAFERT energy efficient 3 phase LV Induction Motors. Havell's have their plant at Neemrana in Rajasthan spread over 42 acres. It is the largest LV motor Plant in Asia where energy efficient motors are manufactured ranging from 0.12 HP to 400HP. The state-of-the-art plant and machinery is imported from AEG Spain. and technical collaboration with Lafert Italy. Havells also caters to the requirements of CraneDuty, Inverter Duty, and Brake Motors.

We have added ABB motors in our folder. ABB offers a comprehensive range of reliable and high efficiency motors and generators for all applications. ABB has what it takes to help every industry and application reach new levels of efficiency and energy savings even under the most demanding conditions. Combining the best available materials with superior technology, the electric motors and generators are designed to operate reliably no matter how challenging the process or application, and to have low life cycle costs.

Recently, we have also added Bharat Bijlee Motors in our basket. Bharat Bijlee Limited is one of the leaders in the electrical engineering industry in India. A multi-product, multi-divisional organization, its main business segments are Transformers, Projects, Electric Motors, Elevator Systems and Drives & Automation. Bharat Bijlee has been a pioneer in the field of standard and special electric motors with a complete range from 0.12 kw to 1250 kw. BBL motors are also certified by various statutory authorities i.e. BIS, CIMFR, DGMS, PESO and DGFASLI.

Companies in all fields and all sizes find an ideal partner to enhance the performance and competitiveness of their Machines.

MADAN

MADAN SALES CORPORATION

MADAN TRANSMISSIONS PVT. LTD.

Think Globally, Act Locally...

Incorporated in 1972

Product Range

We are ranked as the leading stockist & exporter of Fenner Pulleys & Couplings. Fenner products are manufactured by industry experts using top-notch quality raw material in conformity with set industry standards at vendors end.

Range:

- Fenner Classic Belts
- Space Saver Wedge Belts
- Fenaflex Tyre Couplings
- Curved Tooth Flexible Gear Couplings
- Fenner Resilient Couplings
- Fenner Shaft Mounted Speed Reducer
- HRC Couplings
- Pioneer Bearing
- Essex Jaw Couplings
- Fenner Timing Pulleys
- Taper Lock Dual Duty Pulleys
- Fenner Poly V Pulleys
- Fenner Worm Motors

Bonfiglioli

Forever Forward

Our prestigious clients can avail from us, an excellent quality array of Bonfiglioli Gearboxes and Motors. Quality controllers inspect this range on diverse quality parameters in order to ensure delivery of defect-free products at the clients' end. Available in various technical specifications, the offered products can be availed at reasonable prices from us.

Range:

- AS - Inline Helical Gear Motors
- VF-W - Universal Worm Gear Motors
- BN - Electric Three-phase Motors
- 300 - Planetary gear motors
- A - Helical-Bevel gear motors
- TA - Shaft Mounted Speed Reducers
- HDP - Parallel Shaft gear units
- F - Shaft Mounted gear motors
- C - Helical Gearmotors
- S - Single Reduction Helical Gear Motors
- ACTIVE / AGILE - Frequency Invertors

MASCO SUPER

PREMIUM INDUSTRIAL V-BELT

Our Proud Product

MADAN SALES CORPORATION was established in the year 1972 by Mr Rajaram Kataruka & Mr Bishnukumar Kataruka with great technical ideas to serve not only the Mechanical Industry but also to cover various Industries through our wide product range. In V-Belts, we concentrate on Quality & to the best satisfaction of our customers in all respect. The aim of starting MASCO-SUPER V-Belts is to ensure ISI Standard Quality product with strong technical support. We are using very high Quality Raw-material which alone ensures its long durability.

APPLICATIONS:

V-BELT PRODUCTS ARE USED IN THE FOLLOWING SECTORS:

- INDUSTRIAL APPLICATION
- AGRICULTURAL APPLICATION
- TEXTILE APPLICATION
- DOMESTIC APPLICATION

SALIENT FEATURES:

- SET FREE
- LOW STRETCH
- MORE POWER
- HIGH HEAT RESISTANCE
- ANTI STATIC

OUR RANGE OF PRODUCTS:

- COGGED BELTS
- DOMESTIC BELTS
- POWER LOOM BELTS
- AGRICULTURE MACHINE BELTS

Authorised Distributors

Havells India Limited is a billion-dollar-plus electrical equipment company founded in 1958. Havells has introduced the high efficiency 3-phase LV motors electric motors ranging from 0.12 HP to 300 HP in frames 56 to 315. The standard motors are manufactured conforming to the Eff 2 level of energy efficiency, IS325, IS 12615.

The motors are suitable to all applications such as pumps, fans, blowers, compressors, conveyors, cranes, vibrators, etc. Meeting the stringent quality norms and efficiency level, these motors are manufactured in technical collaboration with Lafert (one of the largest motor - manufacturers in Europe).

Features:

- High efficiency results in saving of energy bills
- Suitable for standard VFD drives
- Good aesthetics and surface finish
- 6 Lead Terminal Box
- Low weight to output ratio (Aluminum range)
- Multimount construction of easy change of terminal box position (upto 132 frame) (Aluminum range)
- Better heat dissipation (Aluminum range)

Bharat Bijlee has been a pioneer in the field of standard and special electric motors and our range is categorised as follows:

Three Phase AC Induction Motors

Special Motors

- Safe Area Motors**
 - ▶ Standard Squirrel Cage TEFC Motors
 - ▶ High efficiency-IE2 Motors
- Hazardous Area Motors**
 - ▶ Flame Proof Motors Ex 'd'
 - ▶ Increased Safety Motors Ex 'e'
 - ▶ Non Sparking Motors Ex 'n'
- Crane Duty and Brake Motors**
 - ▶ Crane and Hoist Duty Motors
 - ▶ TEFC Slip Ring
 - ▶ Motors Brake Motor
- Special Motors**
 - ▶ Torque Motors
 - ▶ Low Vibration Motors
 - ▶ Loco Auxiliary Motors
 - ▶ Shock Grade Motors
 - ▶ Multi Speed Motors
 - ▶ Sugar Centrifuge Motors
 - ▶ Cane Unloader Motors

Made for Motion

KTR has been a leading manufacturer of high-grade power transmission technology, brake systems & cooling systems, and hydraulic components.

Specification :

- Rotex- Jaw type shaft coupling,
- Rotex GS- Backlash free shaft coupling
- Toolflex- Metal bellow coupling,
- Radex N- Lamina type couplings, with Carbon Fibre (CFK) Spacers.
- Revolex KX- Cone Ring coupling similar to Pin Bush Couplings,
- Gearex- Full Gear Couplings, Precision U- Joints & Spacer couplings,
- BoWex- Curved tooth gear couplings,
- Torque limiters, Bell housing, Oil cooler & Oil tanks,
- Clampex- Shaft hub connections (taper locks),

We take this opportunity to introduce Güdel, a well known Global Player with 50 years experience in Linear Motion Technology & Linear robotic system based automation.

Güdel components are used by most of the leading brands who are building various kinds of machines & high accuracy linear motion systems.

Rack & Pinion

We have a wide selection of designs and qualities in our standards ranges, we can offer you custom-made models to suit your requirements.

Gearboxes

- High Performance Angle Gearboxes
- High Precision Planetary Gearboxes
- Low Backlash Drive Units

Robot

- Gantry Robot
- Robo Loop
- Robo Feeder
- Robo Speed
- Robo Beam

Handling Technology

Grippers

Robot Accessories
